Dear Mr. MacDonald:

Just a note to thank you so much for the beautiful work on the "Flood Gate". It will be a wonderful focal point for the park and is truly a work of art. As a spectator, I really get excited about black smithing and even learned a lot. Working with Francis Whitaker must have been an inspiration and the "Flood Gate" proves it.

I will keep you informed as we move along with the entire project. We hope to install the gate this Summer, but all depends on our fundraising efforts. I've enclosed a copy of the newspaper articles for your "scrapbook" and will send others as they appear.

Again, thank you, it was a pleasure to work with you.

Sincerely,

Suzanne D. Mitolo, Project
