April 26, 1985

Mr. David MacDonald
3515 Spring Lake
Findlay, OH 45840

Dear David,

Words cannot begin to express our thanks for all the work which you did in the blacksmith shop. Before studio workweek, we were able to say that we had the "best shop in the nation". What is better than best? Maybe, the bestest!

Your contribution to the Folk School of time, energy and effort is only a part of the great importance of this activity; it is your belief and confidence in the Folk School which will carry it forward. You are a vital part in this on-going process.

I know Francis appreciates all that you have done as well. His energies and commitment to the Folk School are beyond what words can express and we are forever in his debt.

Again, many thanks.

Sincerely

Bob Fink
Director

P.S. Francis has expressed interest in teaching classes in April and November of next year. Mark your calendar!
