Dear Mr. MacDonald:

The wrought iron gates you so meticulously reconstructed have now been in place for several months at the Cedar Road entrance to the Gilmour Academy campus.

Many visitors as well as alumni, parents of students and members of the faculty have remarked on the high quality of your work.

Those of us who knew the condition of these imposing gates before you restored them are particularly impressed by the way you were able to replace damaged or lost details of ornamentation in these intricately wrought gates.

We appreciate your excellent work and thank you for your interest and dedication. Above all, we certainly admire your high quality craftsmanship.

With personal best wishes to you and your staff.

Sincerely,

Brother Robert Lavelle, C.S.C.
Headmaster
